The Chinch Bug-How to Exterminate the Pest. From the Waukegan (III.) Gazette. Dr. H. Sherman, formerly of Goodael. now of this city, has made a discovery regarding the breeding of the chinch bug.

which, we believe, will make it an easy matter to totally eradicate this curse of wheat growers. He writes as follows: "The chinch bug having destroyed my wheat for a number of years, I was anxious to get rid of him, and I believe I have traced him home and can destroy him root and little Polson or Virus from the system. branch. I believe that next season, if the farmers will follow my advice, they may raise a good crop of wheat, and not lose a bushel from the ravages of the bug. This inediis the important secret: My investigations | ease with, which they suffer, led me to believe that the seed wheat or The First or Primary Stages of Syphilis kernel was used as a sort of 'foster mother' by the bug, and I find, by inspection through

quantity of eggs, which produce the bugs the pext season Mr Sherman says he will convince any farmer of the truth of this if they will bring him a sample of wheat grown where there

were plenty of bugs. It follows that if the kernel of seed wheat is the general depository of the eggs of the chinch bug that our farmers have been sowing the pest each year, as regularly as they have their wheat, and it follows that if such is the case, the eradication of the bug will be easily accomplised, either by sowing no wheat that has been in contact with the bug, or by steeping the seed in some solution before sowing, which will destroy the

Tragic Affair at Windsor.

On Saturday afternoon, a serious affray occurred on the ferry dock at Windsor, between two negroes named Allen and Rankin, which resulted seriously and dangerously to the former. The affair grew out of not known. . At the time the difficulty occurred, Allen was walking towards the ferry dock with Rankin's wife. As soon as the latter perceived the two he became very much excited, and rushing towards the two Dr. Mark's Syphilitic Cure and struck Allen a powerful blow in the face. A desperate struggle ensued, in which Allen succeeded in getting his opponent down, when he drew a large knife and stabbed five times very severely. It is said that several of Allen's friends held Rankin while the other pages stabbed his and stable that several of Allen's friends held Rankin while the other pages stabbed his and stable that several of Allen's friends held Rankin while the other pages stabbed his and stable that several of Allen's friends held Rankin while the bing the desperado attempted to get aboard the ferry Essex, but the Captain refused to permit him to do so, and he, together with his accomplices, was soon after arrested and placed in the Sandwich jail, to await the re- Dr. Mark's Syphilitic Cure and Pills, sult of the other's injuries.
